THE CARBON

Because of those few students who persist in parking in front of entrances and loading platforms (not to mention on the grass or in the middle of the parking lots)—the Student Board is considering new parking restrictions!

Juniors and Seniors park in the Middle lot; Sopnomores park in the East lot; Freshmen and occasional drivers park in the West lot!

Each driver must register his car in the Registrar's Office and obtain a sticker for parking in his respective lot at the same time. A \$2.00 fine for parking in the wrong lot; \$5.00 fine for parking in the middle of the lot; \$5.00 fine for parking in no parking zones (these zones are listed in the handbook). Faculty members are requested to park in front of the Administration Building.

Any student incurring a fine will not be permitted to take the final exams until all bills and fines are paid. The money is to be used for the upkeep of the parking lots. Anything over and above will be placed in the Student Treasury.

All agree that something should be done about the parking problem. There will be those who feel that the steps contemplated by the Board are quite drastic. It has been suggested they could set up fines for parking in no parking zones and in the middle of the parking lots, and let the students, regardless of what class they are in, park in any of the three lots. Does anyone else have a suggestion?

A special bulletin will be issued to the student body within the next few days giving all the details of the new restrictions. The Student Board members will police the lots and assess these fines.

"LETTER TO THE EDITOR"

The Carbon would like to start a new column—"Letter to the Editor".

You students who feel that you have no voice in student affairs—here's your chance—write a letter!

The restrictions on these letters are: they must be signed; they cannot be aimed at any one person (faculty or student); they must be reasonable; they are subject to revision (grammar and length) by the editors of the Carbon.

If any student wishes to have a letter printed, it should be given to Mona Miller or Pat Henn.
